

THE FRENCH CONNECTION NEWSLETTER

*Each month **The French Connection** newsletter gives information about twinning and other activities of **The French Connection**. But more than that it sets out the latest news about our Twinning partners in Villeneuve-lès-Béziers and provides an update on French news items likely to be of interest. It also has information about areas to visit in France and other interesting aspects of French life. You can read this each month by clicking on the **Latest Newsletter BUTTON** on the right of the **HOME** page or you can receive it directly to your email by sending your email address, with the heading 'get newsletter' to editor@wringontwinning.co.uk.*
